**NOTIFICATION OF CHANGE IN SMALL ENTITY STATUS
UNDER 37 C.F.R. 1.28(b) AND PAYMENT OF LARGE
ENTITY ISSUE FEE**

The undersigned notes that for the above-identified patent application, small entity status was established when the Executed Declaration and Power of Attorney and the Executed Small Entity Status Form were filed on November 17, 1997.

However, Applicants have been advised that the assignee, Padcom, Inc., has now become a large entity. Accordingly Applicants hereby make of record that Padcom, Inc. is presently a large entity, and submit herewith the issue fee for a large entity, i.e., \$1,210.00 rather than the amount of \$605.00.

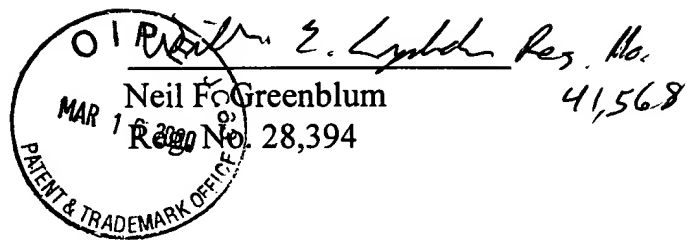

It is noted that applicants recently filed a Request for Refund. However, as stated in 37 C.F.R. 1.28 (b), "Once status as a small entity has been established in an application or patent, fees as a small entity may thereafter be paid in that application or patent without

regard to a change in status until the issue fee is due." Therefore, the change of status at this time is believed to be proper.

Respectfully submitted,
William DOVIK et al.
